

# Community Input Meetings

The DeKalb County School District is holding five (5) regional public input meetings, to discuss and gather information related to its Master Planning of the E-SPLOST V program. The Building S.P.A.C.E.S. Initiative is an effort to determine how, where, and why future revenues from the E-SPLOST V program should be dedicated to the improvement and modernization of our buildings and infrastructure.

**We want your input!**
