Sliding Fee Scale for Families Who Qualify

Q&A:

How do I change my child's primary care provider to Kids'-Doc-On-Wheels?

Call your health plan and say you want to change your PCP to Kids'-Doc-On-Wheels or contact (1-888-423-6765).

Can my child see KDOW provider for a sick visit if we already have a primary care provider?

Yes. KDOW can be seen as a compliment to your current doctor. Contact will be made with your primary care provider after visit to give a follow up.

Will I have after-hours access to KDOW providers?

Yes. Just call our office at 404-574-2512.
